### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

None of the prior art disclose the claimed IC socket for receiving an IC provided with arrayed terminals comprising a conductive block, formed with a first face opposing to the received IC, and a plurality of holes arrayed in association with the terminals of the received IC; a plurality of contact probes, each of which is disposed in each of the holes, and comprises a conductive pipe; and a conductive plunger, retractably provided at a first end of the pipe, the plunger being brought into contact with an associated one of the terminals, and a retainer, comprising an insulative member through which the pipe is coaxially held within an associated one of the holes while forming a gap between an outer periphery of the pipe and an interior wall of the associated one of the holes. The prior art especially lack to disclose the claimed retainer.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Khiem Nguyen whose telephone number is 571 272-2096. The examiner can normally be reached on Mon-Fri.
